Hon'ble Chief Minister lays emphasis on co-ordinated action to control COVID-19

Hon'ble Chief Minister urged the doctors and nurses who are working hard to reduce the mortality rate to continue their excellent work. All steps should be taken to ensure uninterrupted supply of medicines, oxygen and the like in all hospitals, the Hon'ble Chief Minister said, and called for greater focus on administering the vaccine. Hon'ble Chief Minister said District Collectors and Superintendents of Police should work with greater vigil under the District Supervisors and that the present difficult situation can be surmounted only through joint efforts.

Strong step taken to break the chain of the Corona virus spread

Hon'ble Chief Minister announces complete 14-day lockdown, requests people to abide by restrictions

Following is the text of the video speech of Hon'ble Chief Minister **Thiru. M.K.Stalin** on 08.05.2021 'urging people to follow the total lockdown restrictions fully'. *(English Translation)*

My affectionate respects to all the people of Tamil Nadu.!

We have set up the D.M.K. party's rule by getting an absolute majority in the recently concluded Tamil Nadu Legislative Assembly Election. I convey my heartfelt gratitude to all the people who have reposed confidence in me and in the D.M.K.

This will not be a party's Government; it will be a Government of all the People. It will function in that way.

Immediately after assumption of office as Chief Minister, I came to Fort St.George and issued 5 important orders. They are in fulfilment of my electoral promises.

- By way of removing the distress of people whose livelihoods have been affected due to the restrictions announced for controlling the Corona virus, Rs.4,000 will be given to each family holding the rice family card. In the first phase, Rs.2,000 will be given in the current May month itself. This is the first order I signed.
- The second sign reduces the price of Aavin milk by Rs.3/- per litre.
- The third order I signed is for the free travel of women in urban Government buses.
- The fourth order I inked is for the creation of a new Department for the 'Chief Minister in Your Constituency' scheme for taking action on the petitions I received during my election campaign.
- The order that carries my fifth signature is for reducing the difficulties of Corona patients getting treatment in private hospitals by taking over their hospital cost by the Tamil Nadu Government itself under the Government's Insurance Scheme.

In these times of the Corona pandemic,

the Government of Tamil Nadu has launched its full efforts not only to bring the situation under control and ensure that there is no virus resurgence again but also to make for its total eradication.

The Government of Tamil Nadu has prioritized two goals – preventing Corona spread from one person to another and the full recovery of affected persons.

The virus has mutated and become more virulent than that in its first phase. Now, youth and children are affected in more numbers. Particularly, the mortality rate of affected youths is increasing. The lungs are affected more in 2 to 3 days.

Doctors say that the scenario of a higher rate of mortality in persons with co-morbidity has changed. Those without any co-morbidity are being affected on a larger scale.

The occurrence of virus infections is very severe now. It saps the body strength. Alarming reports are coming from the Northern States as well as neighbouring States. Though Tamil Nadu is not so badly hit, the pandemic is spreading intensely in more than 10 Districts. Every day more than 25,000 fresh cases are reported. Doctors say that this number will go up in two weeks. If this happens, controlling the virus will become a big challenge to those in the medical field. Staking their lives, they are even now, working very, very hard.

I consulted Government officials in this regard. They say promulgation of another lockdown is necessary to control the Corona spread. Medical experts too endorse their view.

In a situation where Corona cannot be controlled without lockdown restrictions, a total lockdown is being promulgated in Tamil Nadu from May 10th to 24th.

No services will be available barring milk, hospitals, medical shops, news media and agriculture sale outlets.

Grocery, vegetable and meat shops can function only up to 12 noon. Roadside vegetable and flower vending will be allowed. No permission for other shops. Parcel service alone is permitted in restaurants.

It is true this will affect the livelihood of the poor and marginalized people. But, it will become difficult to control Corona if the lockdown is not promulgated. Neighbouring States like Kerala and Karnataka have realized this and implemented the lockdown law.

Using this 14-day lockdown, if people are disciplined, we can escape from this virus. People should act bearing in mind that Corona cannot be eradicated without snapping its spread chain.

Remain in your house; wear a mask; use disinfectant; increase body immunity; take more fruits and vegetables. Even at the slightest symptom, consult the doctor.

Don’t give room to fear at any cost. This infection can be treated.

This is a testing period; but not one that cannot be overcome. Recovery is certain if there is correct diagnosis of the disease.

For more than 3 hours, I was in consultation with important Government Secretaries, District Collectors, Police Officers and Medical Experts on the Corona virus infections. At the officers’ meet, I mentioned one thing in particular. I requested them to give me the true and whole picture about the Corona virus spread. I told them we have to face the truth. In this respect, our steps against the pandemic have gained momentum from today. I beseech all of you to abide by the Government’s orders.

Let us safeguard ourselves and the people at large in the country.

Let us save Tamil Nadu from the Corona virus!

Nandri! Vanakkam!

First Cabinet meeting of new Government ramps up steps to stop spread of Corona

The Cabinet of the new Government of Tamil Nadu held its first meeting on 09.05.2021 and took the following decisions after discussion on the steps to be taken for prevention of the Corona virus in the State. Hon'ble Chief Minister Thiru. M.K.Stalin presided.

1. In the context of the rapid spreading of the Corona virus in our State, our Government proposes to implement total lockdown from tomorrow. Proper implementation of this lockdown alone can control the virus spread and reduce the number of deaths. Hence, all the Hon'ble Ministers should ensure that this lockdown is implemented totally in the Districts allotted to them.

2. It should be monitored whether immediate treatment is given to patients visiting all the

hospitals in the Districts. All steps should be taken to upgrade the facilities like provision of quality food, available in these hospitals, for doctors and nurses as well as for patients.

3. Amidst many constraints, oxygen is now supplied to Government and private hospitals in Tamil Nadu. Hence, proper utilization of oxygen and avoidance of wastage in any circumstance, should be ensured.

4. Besides Chennai, the Government sells Remdesivir to patients getting treated in private hospitals at places like Coimbatore, Salem, Tiruchirappalli, Madurai and Tirunelveli. Apart from monitoring these sales, steps should be taken to prevent the sale of such medicines in the black market.

5. The importance of all eligible persons getting vaccinated has been emphasized. There should be focused action on creating awareness among people to increase vaccination in all Districts.

6. Only co-ordinated action by the Departments of Health, Revenue, Police and Urban and Rural Development can bring about success in the above mentioned works. Hence, the Hon'ble Chief Minister requested all the Hon'ble Ministers to hold co-ordinated review meetings of these Departments and ensure joint action by all.

Exclusive Department to address grievances; Special Officer to oversee steps

Hon'ble Chief Minister gives firm assurance on petitions received during election campaign

Statement of the Hon'ble Chief Minister of Tamil Nadu **Thiru. M.K.Stalin**
(English Translation)

During the campaign for the Tamil Nadu Legislative Assembly Election, I met people in every District and received petitions from them under the scheme 'Stalin in Your Constituency, generally in respect of their basic problems and individual grievances. I assured them that their petitions would be scrutinized as soon as the D.M.K. came to power and their grievances would be resolved within 100 days of my assumption of office as Chief Minister. Accordingly, on the very same day that I took over the responsibility of the office of Chief Minister, I announced the scheme 'Chief Minister in Your Constituency' for this scheme, through one of the files I signed, created a separate Department for it and appointed Tmt. Shilpa Prabhakar Satish I.A.S., as Special Officer for it.

All the collected petitions were handed over on 08.05.2021 to the Special Officer for appropriate action. After scrutiny, the petitions received in this category will be grouped as Infrastructure (like new roads, flyovers etc.,), Community Assets (schools, hospitals etc.,) and Individual Grievances. They will be forwarded to the Departments concerned and the action taken on them will be monitored. These steps will be documented during the course of execution and completion. A website will be created for this Department to inform the people of the steps taken on the petitions.

As for individual grievances, action will be taken speedily to the extent possible and resolved quickly wherever possible; where it is not possible, the reason for the inability will be clearly mentioned. Besides, guidance will be provided over other choices available to petitioners for fulfilling their needs so that they can avoid forwarding petitions repeatedly.

It is indeed the Tamil Nadu Government's aim to complete the scheme before the deadline of 100 days. But the harsh Corona pandemic is at present convulsing the whole country. The administration in Tamil Nadu has to exert itself in a big way to deal with the situation. We are forced to give our entire attention to the Corona virus pandemic just as more blood is pumped to the part of the body which is injured. Hence, I wish to inform that action will be taken speedily and in an excellent manner, and solutions found to the extent possible during this Corona pandemic, and as per needs, on all the petitions received.

I wish to underline the fact that creation of an exclusive Department for finding solutions to people's petitions has not been thought of so far; it has been created now. I affectionately inform all the (grievance) petitioners that the special officer appointed for this Department has been instructed to choose the correct Departments for resolving the various demands, monitor the steps taken and ensure that the details thereof are conveyed to the concerned petitioners.
